
About Us

Clark Hill is a multidisciplinary, national law firm that draws on our attorneys' comprehensive industry and policy knowledge and a global network of premier firms and advisors to provide innovative legal solutions and client-service excellence worldwide. Our work is guided by our deeply held shared values, including practicality, entrepreneurship, mutual respect, diversity, ethical behavior, and community service.

With more than 450 attorneys and professionals based in 16 offices across the United States and in Dublin, we are a committed partner to a diverse range of businesses, public entities, and individuals. Our significant presence in Washington, D.C., and our deep government relations and public affairs experience at every level help ensure that our clients' voices are heard in the development of federal and state regulatory policy and legislation.

Our investment in new service lines and programs — such as HR/Advantage, Information Governance 360, Conrad Consulting, and E2: Emerging Enterprises — further reinforces our ability to develop and deliver coordinated legal, business, and political strategies that achieve business success.

Clark Hill is built upon a core set of values that guide us in our relationships with our clients, our interactions with each other, and our connection to the communities in which we serve. These values have a real and lasting impact on the way we conduct our business, the way we treat our clients and colleagues, and the way we go about growing our firm. We believe these values come into play in each and every client experience, and they are essential to the ultimate success of our lawyers and our firm.

Our DNA consists of these guiding principles:

Count On More. We provide practical counsel with an entrepreneurial spirit, offering innovative ideas, technologies and solutions. We deliver value through high quality work and a collaborative team approach.

Relationships Fuel Our Firm. Respect is the foundation of our strong relationships with clients and colleagues. We are tenacious advocates for our clients while being approachable and supportive.

Everyone Matters. We value the contributions of each individual in our firm and encourage fresh ideas and diverse perspectives. We embrace the differences among our colleagues, enriching our experiences.

Ethical Behavior is Non-Negotiable. We believe in doing the right thing every time. We uphold our professional responsibilities and are accountable for our actions.

It's Not Just About Us. Making a positive impact is central to who we are. We devote our personal and collective time, talent and resources to making our communities better places to live and work.
