

Creating a ClarkHill.com “App” on Your iPhone

1. In the address field of your iPhone’s browser, type in clarkhill.com. This will take you to the Clark Hill home page. If you want your shortcut to go to this page, skip to step 3. If you want your shortcut to go directly to the search for professionals page, proceed to step 2.

2. Press the menu button on the top left and then “Meet our Talent” then “Attorneys & Professionals”. This will take you to the Directory Search.

3. a. Press the icon circled below b. press on "Add to Home Screen" c. press "Add".

d. A CH icon now appears on your home screen which, when pressed, will take you directly to the website.

You can search our professionals by location, practice, bar admission or court jurisdiction whenever you need!
