# Employers Must Begin Using New I-9 Form by January 22, 2017

By Michael P. Nowlan / Jan 20, 2017

Beginning January 22, 2017, employers must use the new I-9 Form dated 11/14/16. This replaces the version of the I-9 Form dated 03/08/13. Failure to use the new Form may result in the assessment of penalties. You can obtain copies of the new I-9 Form on the U.S. Citizenship and Immigration Service [website](#).

If you have any questions about the new I-9 Form, please contact Michael P. Nowlan at (313) 965-8666 | [mnowlan@clarkhill.com](mailto:mnowlan@clarkhill.com) or another member of Clark Hill's Immigration or Labor and Employment practice groups.
