
International Tax

Clark Hill handles a wide range international tax matters, including structuring inbound and outbound business and real estate investments; cross-border mergers, acquisitions and joint ventures; reorganizing and restructuring multinational corporate groups; handling international tax controversies before the IRS and in the courts; advising on information reporting; and devising specialized planning involving transfer pricing, foreign entity classification, foreign tax credits, foreign currency transactions, profit repatriations, tax treaty issues and reducing or eliminating U.S. estate and gift tax liability.
