# Medical Malpractice

Clark Hill attorneys have represented clients in a variety of capacities relative to medical malpractice cases over the years. Our attorneys' experience spans a multitude of areas, giving us the ability to provide prompt and able counsel on any matter that may arise. Our keen insight into this area of emphasis has been honed through defending physicians and hospitals in medical malpractice claims, representing hospitals and staff in actions alleging deviations of standard care, wrongful death, negligent credentialing, and other similar matters.

We are experts in Mcare – Medical Malpractice Counsel and Section 715 Defense Counsel. In combining our core medical malpractice experience with the expertise of our Litigation practice group, specifically their knowledgeable healthcare backgrounds, we provide our clients with a unified team of attorneys and professionals to best serve their interests.
