## Careers at Clark Hill

As an ambitious individual, you have professional and personal aspirations. Clark Hill provides the work environment, the tools - and most importantly - the culture to help you achieve those aspirations. We are committed to hiring, training, mentoring and retaining the finest people who bring the right balance of professional skills and personal qualities that exemplify the Clark Hill Way.

At Clark Hill, you can ***Count On More.***

We look for individuals who strive to provide practical counsel with an entrepreneurial spirit, offering innovative ideas, technologies and solutions. We deliver value through high quality work and a collaborative team approach.

Relationships fuel our firm. Respect is the foundation of our strong relationships with clients and colleagues. Working with passion, commitment and enthusiasm, we are tenacious advocates for our clients while being approachable and supportive.

We embrace our values and face challenges with a steady hand and an innovative edge to creatively address client issues. We look for professionals with a penchant for stellar client service, who also recognize that exceptional service is a team effort. We value the contributions of each individual in our firm and encourage fresh ideas and diverse perspectives. We embrace the differences among our colleagues, enriching our experiences.

Ethical behavior is non-negotiable. We believe in doing the right thing every time. We uphold our professional responsibilities and are accountable for our actions. We conduct ourselves with a high degree of integrity and ethics and we deliver a timely, high-quality work product to our clients.

There is an atmosphere of informality that allows us to know one another personally and freely exchange ideas. We hire highly educated professionals who enjoy what they do. We are at the top of our game; we work collaboratively with our clients. And while our clients require our assistance to face significant challenges, they truly enjoy working with us.

It's not just about us. Making a positive impact is central to who we are. We devote our personal and collective time, talent and resources to making our communities better places to live and work.

We look for people who believe in our core values and, better yet, who will work and live by them. We invite you to learn more about our hiring programs and how to apply for available positions.
