# Gloria C. Nuñez

## Paralegal

**Gloria Nuñez** maintains effective communication with clients and attorneys throughout the duration of each case. She drafts relevant forms, cover letters, and support letters on behalf of clients, organizations, and community members.

Gloria has researched immigration policy with special focus on youths and their interaction with the foster care system, the juvenile justice system and the education system and identified best policy and practices that led to the creation of a policy priority paper. She has also served as an Academic Mentor for immigrant youths and empowered students by providing educational and social support.
