California’s Progress Promoting Workplace Diversity, Equity, and Inclusion
California’s Progress

- Significant progress made in recent years to strengthen California’s equal pay laws
Opportunities for Improvement

- Gender and racial pay and opportunity gap persists

- 35%+ of publicly-traded corporations headquartered in CA have all White BOD (Latino Corporate Directors Association)

- 90% of CEOs are White (US Bureau of Labor Statistics, 2019)
Opportunities for Improvement

- In management, professional, and related occupations, only:
  - 31% of African Americans
  - 22% of Latinos
  - Compared with 54% of Asian Americans and 41% of Whites work in the same occupation (US Bureau of Labor Statistics)
Opportunities for Improvement

- Asian Americans the least likely to be promoted to manager or executive positions in CA (Ascend Foundation)
Opportunities for Improvement

▪ POC’s earnings still trail others with similar positions

▪ Black women with Master’s degree make 64 cents to every dollar paid to White, non-Hispanic men (National Women's Law Center)
Opportunities for Improvement

➢ Companies in the top quarter for racial and ethnic diversity are 35% more likely to financially outperform the national industry median (McKinsey & Company)

➢ For every 10% increase in racial and ethnic diversity on the senior-executive team, earnings before interest and taxes rise 0.8% (McKinsey & Company)
Opportunities for Improvement

➢ $12tn in additional GDP if gender gap is narrowed by 2025 (McKinsey & Company)
